PUBLIC NOTICE

Residents of Vallers, Lucas, Fairview & Stanley townships of Lyon County.

The Soil & Water Conservation District (SWCD) of Lyon County has an opening on the governing board due to the current board member moving out of the district. Because of the need to fill this position, the existing members of the Board are obligated to appoint an interested person to fill the remaining term of office.

Lyon SWCD is a local unit of government that manages and directs natural resource programs at the local level. The SWCD Board and staff work closely with other local environmental and resource organizations as well as state and federal government units.

The individual that fills this position must be a resident of Vallers, Lucas, Fairview or Stanley townships of Lyon County, Minnesota. We welcome the interest of rural and urban residents, male or female individuals. The person that is appointed will need to run also in the general election that will be held in November 2010.

If you are interested in the protection of our resources, promoting the Soil & Water Conservation District programs and funding needs, and are willing to assist in the developing of strategies to address those needs, please consider this position.

The successful candidate must be willing to commit to a minimum of 1-2 meetings a month, day and/or evening, with an average meeting length of 3-4 hours. This position is not salaried but board members are compensated \$65 per meeting and are paid for mileage.

For more information please contact the SWCD office: phone: 1-507-537-0396 ext #3 and visit with Rose Anderson, District Administrator. Or e-mail her at rose.anderson@lyonswcd.org visit our web site for information on the SWCD, its programs and structure. www.lyonswcd.org
